

# Quiz I

## Rhythm

1. Define tempo:
2. A \_\_\_\_\_ is the basic unit of pulse in music.
3. Our definition of jazz has two important elements. They are \_\_\_\_\_ and \_\_\_\_\_.
4. More than one rhythm performed simultaneously is called \_\_\_\_\_.
5. The grouping of beats according to repetitive accents is called \_\_\_\_\_.
6. “March” and “Waltz” refer to different types of \_\_\_\_\_.
7. Compare how a classically trained musician divides the beat and how a jazz musician divides the beat. It may help to draw a diagram.
8. What separates jazz from other types of music rhythmically is the frequent use of the swing eight note sequence, polyrhythms and \_\_\_\_\_.
9. Syncopation is \_\_\_\_\_.
